

Hello! Thanks for signing up for our tournament. We hope you have a great time! :)

But before we start playing, you need a few things to know:

1. The tournament is hosted by Melee.gg and this is also where your digital decklists should be placed. Judges will start checking them on the day of the tournament from 9:00, so please add them well in advance and check that the system has recognized them as correct. Paper decklists will not be accepted!
2. Our tournament is held as part of Planszówki w Spodku. However, since the official gates open later than the start of our tournament, we have a special entrance that will be open only for a short while and only for “C’mon! Katowice” players. The entrance is located on the roof of the MCK (map below). All players should gather there **BEFORE 9:30**.

3. For those arriving by car: parking lots in Zone A (south of Spodek) and the large parking lot in the Culture Zone (on the eastern side of Spodek and MCK) are PAID on Saturday. We suggest choosing another parking lot in the area.

Remember that due to the large event that is Planszówki w Spodku, this may be a difficult task, so if you are arriving on the day of the tournament, it is best to give yourself a time buffer.

See you on Saturday!
